Eddie Pugh of the Morton, spent Sunday with Kalamazoo friends. Mr. and Mrs. F. M. Briggs epent Sunday with friends in Muskegon.

"She Couldn't Marry 'Three.'"

This play is presented by one of the cleverest companies in existence, every ngenu soubrette in America, and in this comedy she has a role which gives ull scope to her wonderful versatility. Sne is supported by a company which includes her brother, Mr. John J. Kennedy, one of the cleverest singing comevan, the powerful romantic actor, and a large company, including a number of prominent artists; and as might e expected from such a star cast of theatrigal celebrities a great performance is presented.

An Important Difference.

To make it apparent to thousands who think themselves ill, that they are not affected by any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a costive condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Co.

The U. R. K. of P. will give their last party of the season at Simmons' hall, corner of Fifth avenue and South Division street. Wednesday evening next, March 23. Street cars will run to Plainfield avenue. All holding former nvitations are invited.

Major Dickerson requests his friends to attend the republican caucus, cor-ner Wealthy and Grandrile avenues tonight, between 4 and 8 o'clock, and ommate him for supervisor of the First ward.

Excursion to Montana.

On March 29,1892, a special excursion will leave Grand Rapids via Chicago & West Michigan ratifond for Helena and ther points. For full particulars and ates call on or address J. A. Hoedenaker at J. G. Steketen's drug stororner Fifth avenue and South Divis on street.

action.

HOW STYLE IS SET

Miss Straight Talks About Parisian Fads

ORIGINAL GOWNS EXPENSIVE

Original Modes Are Copied by the Sketchers and Made Common-Something About Colors and Fancies.

Straight, who has just returned from an extended visit in Paris, to a reporter for THE HERALD, "emanate from some three or four shops, and it is only a matter of a few days before they are known and copied in all the capitals of Europe. There are tricks in every trade, you know," she patronizingly continued with just the suggestion of a some on her lips, "and the one by which the Parisian modistes suffer most is the copying of their designs by sketch artists who work at the opera and other public places where a new costume is first seen.

. "A woman of the aristocracy will order a dress from Worth or Felix, pay several thousand france for it, if a new design, wear it to the opera one night and before morning the sketch artists have placed accurate copies in the hands of a dozen mod stes and in another week the same costume is com-monplace and weetuily depreciated it-value. Frequently a wealthy woman orders a costly gown and wears it but

once for time very reason. designs in the toulevards. The new and radical ideas in dress find their first advocates in the fast set, and it is only in a modified and very changed form that they receive the sanction of from New York, where he has made advantageous arrangement for the sale form that they receive the sanction of the pictures. He will maintain his studio in this city. money and make some very startling displays which are shown to Americans as 'the thing,' and are eagerly bought by them, but you may be sure that the aristocracy adopt them only in very modified form. The majority of cially for wealthy patrons, and are often sold to English and American

dressmakers. Strong Point of Designers, "The strong point of the French designers is their wonderful skill in the blending and shading of colors. No nation approaches them in this particular. As to the dresses themselves I still think the American women are the best dressed in the world. French street costumes startle one by the lavish display of colors and impressed me

that city, I believe, is to be the Paris of America, while Carcago will be on

one of them being especially selected season. It is known as 'carme.' Other character they represent. The star, 'cineraire.' A very light shade of Miss Lillian Kennedy, is the brightest terra cotta known as 'bird's-eye red will also be much worn. 'Hantine' brillant shade of yellow, will he

"I have to confess that the American goods can in no way approach the French product, either in wearms qualities or the fastness of colors.

Beaded and jet work are very much the thing now in Paris and are marke by a wonderful delicacy of coloring They present a bewildering glitter o shades in every light and such work

"Parisian etyles," said Miss A. L.

"One does not see the really choice the really swell styles are made espe

as being over-loaded. "I have always had the idea that the English women were invariably dowdy and careless in their dress. Such is not the case. Their costumes are chic and dainty, and in street dresses I saw somespecially pretty ideas. I find that the ideas evolved on this side are some times copied in Paris, but something called 'Parisian' here are not at all the vogue in France.
